

Hello,  
Peter  
and  
Ulrike.

Am glad to having written to you. Hope your doing well as it is always my wish.

I would like to happily inform you that finally our Senior six examination results were out and managed to pass them, well this pushes me to send my sincere appreciation to you my beloved ones. So I say, thank you, thank you so much for making me achieve this goal. I now wait for applying to higher institutions and Universities to purchase a course in Agriculture. Dears, I still plead to you support please as you have always been my parents. I really appreciate everything you do for me. And allow me say, Happy new year 2014 and a blessed lent period.

Love you, Love you, Love you and greetings to everyone and the Rigs for kids club members there

Your faithfully  
CHRISTINE
