

Dear my Guys -

How are you now days? how is you family - for me lam okay. lam so happy for the helping heart you have shown for things you did to me. lam also happy for the letter you gave me that means that you are thinking about me.

I wish you a happy & good and anice Easter. lam also thinking about you lam at school in senior two lam thinking about the day you will come to see our school. You have deretor eat our school now it is more beautiful & nice and the best school in our district because of you lovely heart. With you family all I promise you that I will study until were you want. lam kindly requesting you to give me some photos of your family & school & capital city of Germany and wild animals.

I wish you a happy & good and anice Easter
